Youth Philanthropy Initiative (YPI) Launch January 22nd 2020 – Spread the Word and Get Involved!

Each year, S4 Gryffe pupils take part in the Youth Philanthropy Initiative. Through YPI, students work in small teams to discuss and agree upon a social issue they feel passionate about, following which they are tasked with researching the local charities centred on this issue. **At the school final event (to be held in March 2020), one charity is chosen to win £3000.**

Students will only learn so much from publicly accessible information, literature and web material, therefore all students are encouraged to establish a personal connection with their chosen charity. The aim being to support a deeper understanding of their chosen charity's history, scope of work and impact.

Do you meet the following criteria?

Are you a local OSCR registered charity? ✓

Are you social service focused? ✓

Would you (or a representative) be willing to join the pupils and support their learning on January 22nd 2020? ✓

If you are interested in getting involved, helping to develop the next generation of responsible citizens and possibly securing additional funding for your charity, then please contact Mrs Carmichael at Gryffe High School to learn more.

Mrs Carmichael gw17carmichaelshelle@glow.sch.uk

Please help us to spread the word and make Gryffe's YPI Event 2020 an even bigger success!
