Dear Parent / Carer

I would like to acknowledge the significant efforts of all pupils, staff and parents under the present circumstances. I have been incredibly impressed with the positive attitude of our pupils, and their drive to continue their learning under an umbrella of uncertainty. Our attendance rates, both pupils and staff, remain high under the circumstances, which again is a great credit to all.

We strive to continue to provide an excellent learning environment for our pupils and are doing our very best not only to teach the pupils in front of us, but also to plan for a variety of contingencies.

I will do my utmost to keep parents/carers up to date with any educational decisions made within the school and beyond. All my communications to parents/carers, probably daily for the foreseeable future, will be via the school website and Show My Homework, with updates also via the school's Twitter/Facebook accounts. I will not be using any other means of communication so please refer, as stated above, to our website and ensure you are also using Show My Homework.

School is open as usual and we will continue to support all pupils, as well as ensuring our senior school pupils are gearing up and preparing for their SQA Examinations.

As always, please feel free to contact me should you wish any further information.

Yours sincerely

Colin Johnson
