Head Teacher: Mr Colin H Johnson BSc

Dear S1 S2 and S3 Parents/Carers

I would like to give you a brief update of our plans for the coming weeks and possibly months. We have been:

- Creating online resources for all year groups and all classes in all subjects
- Ensuring that pupils know the best means of communication open to them for support in work set by staff. Most likely via Glow Teams, Show My Homework..... etc
- Asking pupils if they have access to Glow and ensuring that they know how to log on
- Creating systems where pupils will be able to be in contact with their teachers in order to have continuous support.
- Creating a contact detail page of all SMT and Pupil Support staff in order that clear lines of communication can be established

We will provide considerably more detail for Parents/Carers early next week in order that we can all have a clear understanding of the plans moving forward, and how the staff in Gryffe will support each and every child. I appreciate the frustrations, and the pace of change, however I would ask for your patience as we put all our structures and support measures in place.

As usual, please feel free to contact me at school should you wish me to explain anything in further detail.

Mr Colin Johnson
Head Teacher
