Dear Parent/Guardian,

West College Scotland – Information Evening, Tuesday 19 January

Renfrewshire Council has had a long partnership with our local college offering our senior pupils a variety of courses to study in both the college campus in Paisley and in our secondary schools.

In August 2013, the old Reid Kerr College became part of the wider West College Scotland, increasing the range of course options being presented by the college for our senior pupils. 2016 will see a further increase in the available options.

To raise awareness of the courses that could be offered to our senior pupils (S4-S6), West College Scotland and Renfrewshire Council are planning to hold an open evening on **Tuesday 19 January** in the **Paisley Campus of West College Scotland** from **6pm - 8pm**. This evening will give parents, carers and pupils the opportunity to see what is on offer in the college, and to see the facilities that are used.

Our partnership with West College Scotland is really important, as this allows us to offer a wide range of options in the senior phase to best meet the needs of our students, helping them on the path to the career or destination of their choice.

To help plan for the event, it would be appreciated if you could contact **the school office, 01505 690633** or gryffehighenquiries@renfrewshire.gov.uk, **no later than Thursday 14 January**.

Yours sincerely

Raymond Kane
