Head Teacher: Mr Colin H Johnson BSc

Dear Parents/Carers

You will have heard the news and as such you will know that there will be no SQA Examinations.

- Some S4, S5 & S6 pupils are in an excellent position with good Prelim grades, a range of assessment evidence, assignments completed and as such in a position to expect the SQA to look at all the evidence and give them an appropriate grade.
- However, some pupils are in a position where they have course work to complete, assignment work still to complete, require further evidence to submit to demonstrate improvement and as such may need additional support or time in school. We aim to try and provide that support for pupils wishing it wherever possible, and I will be in further discussions with staff tomorrow.

**We will be contacting individuals offering time to complete course work, assignment work, wherever possible in school if they are able to attend, and the possibility of some extra focused work with an aim of getting further evidence to support estimate marks where appropriate. Further information will follow on this as we hope to provide the support to all who require it, in whichever subjects they require it, however I expect it will be within a fairly short time scale. I would ask that no pupil arrives at school next week unless contacted, however we will provide detail of who to contact should you feel your child requires further support.**

**In regard to tomorrow, I would ask that all pupils are considerate to others. Pupils should speak to their teachers, discuss if they need to concentrate on anything in particular and make the most out of their class time.**

As usual, please feel free to contact me at school should you wish me to explain anything in further detail.

Mr Colin Johnson  
Head Teacher
