## Personal and Social Education Partnership with Parents

Dear Parent/Carer

We would like to provide parents/carers with relevant information on our Personal and Social Education (PSE) programme, and consider some of the issues that face young people in our community. Working together with Police Scotland and other community partners, we aim to deliver a series of information evenings to explore some of the key topics that we cover within our PSE courses, with the key aim of forming closer working relationships with parents/carers.

We are delighted to be hosting the first of our information evenings for Parent/Carers of S1-S3 pupils on **Monday 14 May at 7:00pm in our School Theatre**, with a focus on raising awareness of the risks of substance misuse.

There will be short presentations from some of our partner organisations with an opportunity for questions at the end. The presentations are listed below;

**Police Scotland, Safer Communities Team**  
Substance Abuse, Police Scotland Role

**Renfrewshire Drugs and Alcohol Support**  
What's out there in our community?

**SORT Paramedics (Special Operations Response Team)**  
What are the signs of misuse and what to do in an emergency situation?

The presentations and questions should last no more than one hour and I look forward to welcoming you to what we hope will be an informative and interesting event. Please indicate your intention to attend by completing the tear off slip and returning this to the school office by Friday 11 May 2018.

Yours sincerely

Mr Colin Johnson  
Head Teacher
