GENERAL INFORMATION

LITTER INITIATIVE

My thanks and congratulations to students who have been consciously cleaning up their litter across the school. We are closer to litter free.

The next step is that all students will begin to separate their rubbish into the correct bins. All plastic bottles, milk containers and styrofoam containers (plates and boxes from chicken bites) will be put in the blue recycle bins throughout the canteen. Any food left over, including fruit peels and anything organic will be placed in the dark green bins found in the canteen. Keep it up Gryffe. Any other general rubbish will continue to be put in the black bins as usual.

S1 – GUESS WHO?

Take part in our Guess Who competition as part of our St Andrew's Day Celebrations. This week you will see pictures of famous Scots appearing on the walls of Gryffe High. You will also see descriptions of these people in separate places around the school. Your challenge is to match the people to their descriptions. You should keep a note of the people you see and the number of the description you think they match. Do this on a bit of paper and hand in your entry to the music base by the end of lunch on Friday.
