How Parents/Carers can become more involved in our school life:

Supported Study – Details can be found on the school website. Alternatively, contact Ms Dhesi.

Face Masks – At the moment we still have a small supply of face masks, however we seem to be handing out more each day. Renfrewshire Council have stated that it is the pupils (supported by parents/carers) responsibility to bring a face mask to school. If we as a school need to fund this we have estimated a cost of over £100 a month. **Please encourage your child to bring a face mask to school, and to wear it in school.**

Show My Homework – Please ensure that you have access to this programme as it is our key means of communication to Parents/Carers.

Nominate your child for Achievement points - if they have achieved in an out of school event. Just fill in the simple online form via our school website or through:
