# Why should I do it?

- Excellent link from school to higher education or employment
- Take responsibility for your own learning
- Deeper understanding of research and employment opportunities.
- Helps equip the candidate with the attitude and confidence necessary to make the transition into Higher Education and/or employment.
- Learn lots of new skills and improve on already existing ones!

GRYFFE HIGH SCHOOL

CARING LEARNING ACHIEVING

# Timings

- It is in your own best interest to start your project over the summer.
- This will allow you to focus on your other subjects during investigations and prelims
